

Capacity Building Needs

Reunity Resources stands at the forefront of environmental innovation and community engagement. Our purpose is simple yet profound: to create a sustainable future by diverting organic waste from landfills, producing high-quality compost, providing food access, and educating communities on the importance of environmental stewardship.

As a grassroots, local organization, we have lots of experience being resourceful and prudent, testing before we invest, and stewarding this historic land and our programs thoughtfully. These opportunities for giving will make a big difference in our ability to empower our community.

People

Great work requires great people. Payroll is our biggest ongoing expense. Help us to thrive as an organization with this capacity-increasing gift.

Sponsor a Program Manager - \$55,000

Sponsor an Arborist - \$55,000

Sponsor a Farmer - \$45,000

Sponsor a Composter (Soil Yard / Doorstep) - \$45,000

Sponsor a Farm Camp Teacher - \$15,000

Sponsor a Mentorship of an Intern - \$3,000

Capacity Building Needs

Equipment

Great equipment allows us to do our work more safely and efficiently, while growing our community impact.

Loader - \$300,000

Trommel (compost screen) - \$200,000

Commercial Food Waste Collection Truck - \$150,000

Bagging Machine - (Rotochopper Go Bagger 250) - \$75,000

Farm Tractor with Loader (Kubota) - \$60,000

Airlift AI-200d - \$40,000

Repair the Loader - \$30,000

Sturdy Picnic Tables / Seating (5-7) - \$7,500

Hot water pressure washer - \$5000

Propane Stock Pot - \$1,500

Fermentation Tanks (2) - \$1,400

Electric Tomato Mill - \$800

Chest freezer - \$750

Electric Induction Burner - \$700

Farm-quality Hula Hoes (5) - \$500

Immersion Blender - \$500

Heavy-duty Wheelbarrows (2) - \$300

Capacity Building Needs

Site Infrastructure

Big ideas require big infrastructure improvements. These changes will support sustainable, increased abilities to divert food waste, grow more food and store that food safely. We are currently in a master-planning process that will illustrate further infrastructure needs to meet our long-range plans.

Down Payment for Expansion Land - \$250,000

Solar Array Installation at Farm - \$200,000

Large Insulated Greenhouse (Rimol) - \$35,000

Walk-in Fridge - \$15,000

Direct Community Support

Collaborations are core in a healthy community. These gifts allow us to offer more opportunities for engagement to those that need it.

Farm Camp Scholarship Funding Goal - \$40,000 match-goal

Farm Fresh Food Donations - \$30,000

Farm-to-Families Meal Donations - \$20,000

Community Fridge Pantry Staples for One Year - \$12,000

Sponsor a Field Trip - \$750

Sponsor a Newsletter (shout out optional) - \$500

Farm Camp Scholarship for 1 Student - \$355

Sponsor a Compost Donation to Community Orgs + Schools - \$250

Thank You!

Thank you for your generous consideration and visionary support. Please reach out to Juliana Ciano at juliana@reunityresources.com or call: **505 428 8330** with any questions you have about these items and needs.
