

**Compost is an excellent soil conditioner. It adds organic matter, improves soil structure, helps control pests and reduces fertilizer requirements.**

**Reunity Resources  
Compost  
\$80**

Locally made with environmental health at its heart. A gardener's choice for increased organic matter and nutrients.

**Vaca Compost  
\$85**

A dense and rich compost; rancher's remedy for depleted soil. Steer manure, aged 18-24 months

**Cowboy Compost  
\$83**

Southwest blend of Vaca and other manure/green waste based composts. Cowboy up!

**EcoGro  
Compost  
\$96**

US Composting Council Seal of Testing Assurance. Made from green waste, food scraps and brewery residuals. Excellent choice for all soil types.

**Gro-Well Compost  
\$85**

Improves soil structure through aeration, moisture retention and drainage. Promotes root growth and stability. Made from green waste and manures.

**Mulch is an excellent ground cover. It retains moisture, helps control weeds and pests, prevents soil erosion and maintains soil nutrients.**

**Premium Composted  
Mulch  
\$58**

Our Premium Composted Mulch is screened from green waste and manure compost. Free from weed seeds and pathogens. Screened to 3/4" diameter.

**Composted Mulch  
\$37**

Our composted mulch is screened from green waste and food waste compost. Free from weed seeds and pathogens. Screened to 3/4" diameter. Note: contains some bits of plastic.

**Giddy Up Mulch  
\$70**

Spur on soil health with this blend of composted mulch and compost. Delivering additional nutrients and organic matter while providing excellent ground cover benefits.

**2nd Chance™ Mulch  
\$68**

Recycled mulch product from limb, log and clean lumber. Naturally dyed resulting in a beautiful terracotta color. Screened to 3" minus.

**Arborist Mulch  
\$20**

Local tree trimmings great for soil erosion control, Hugelkultur and lasagna gardening. Balanced nitrogen and carbon.

**Garden Soil  
\$80**

Ideal for raised beds or large areas. Compost, native soil and pumice create a baseline blend to get your garden started. Additional amendments available to enhance this blend.
