

Volunteering FAQ

Who can volunteer?

We welcome anyone and everyone, there are many ways to be involved!

We love kids, but please be aware that children under 18 need to be accompanied by a guardian and children under 12 need to be with their guardian at all times.

What might I be doing?

Mostly, volunteers are needed with field work (weeding, planting, harvesting, pruning, schlepping, digging, mowing, etc) and washing & packing produce. Sometimes we need volunteers to help with special farm projects, events, the farm stand, composting, or driving. Other skills such as mechanical help, media production, accounting, painting, graphic design, etc are also very useful. Please inquire about your skill sets if you're interested in contributing to the farm this way, we'd love to talk about ways to work together!

When can I come?

- Tuesday afternoons from 3:00 p.m. - 7:00 p.m. and Saturdays from 10 a.m. - 3 p.m. These are open volunteer hours, so feel free to show up unannounced at any time during that window and come and go as you please.
- Schedule a time & date!
 - We host pre-scheduled harvest groups (and individuals) on Friday mornings from 8 - 2(ish). As this is pre-scheduled volunteer time, please contact the farm before planning on coming out (we cannot always accommodate volunteers on this day).
 - Schedule a time & date that works for you and/or your group! Please get in touch and we'll get you on the farm!
 - Volunteer groups must show up on time, no later than 8:00am.

If there's another time you'd like to volunteer, or a specific skill, service, or event you'd like to offer, please get in touch by calling or emailing the farm (farm@reunityresources.com, 505-490-1047).

What should I wear?

Closed toe shoes and clothing you don't mind getting dirty! We recommend that you wear comfortable pants, long sleeves, a hat, and sunscreen to protect from from the sun. Bring layers and weather appropriate clothing (we work in all weather!). If you have gardening/work gloves that you prefer, bring those along as well. Bring sunscreen, a refillable water bottle, and snacks.

What should I *not* bring?

- Your dog! Please, no pets on the farm at this time.
- If you are sick, please stay home to rest and only come volunteer when you are well again.
- Drugs and tobacco are not permitted on the farm. If you are a smoker, you may, of course, smoke off property, just be sure to wash your hands upon returning to the farm.

How do I get to the farm?

Our physical address to GPS is: 1829 San Ysidro Crossing, Santa Fe, NM.

We're across the street from the trailhead parking lot for the San Ysidro River Park Trail, where San Ysidro Crossing meets the Santa Fe River.

If you're driving, please keep right and follow signs to the parking area.

What should I do once I arrive on the farm?

Grab your water and your gear (leave your valuables in your vehicle or a safe place) and head up to meet at the farm wash station. Check in with Reunity staff, and sign our simple volunteer paperwork. If it's your first time volunteering with us, you must receive a brief orientation before working. Then, all the volunteers will have a quick meeting about what the work day looks like and we'll get to it!

I have more questions! Who should I talk to?

Call the farm at 505-490-1047

Email the farm: farm@reunityresources.com

We'd love to hear from you!
